Italian Carmen D. and Dawn Lauff and Rob Lauff. I overheard their conversation while waiting a Motion behind a partition in the U.S. Federal Court clerks office in 2015.

It was no fault of Greg Hanner and Steve Carramache they stated they were going to help Mr. Pucillo. Mike Pucillo from Annunciation Catholic Church a criminal was a with Mr. Pucillo. I saw him following me to the Federal Court in South Philadelphia.

Steve had 2 separate computers. With the truth & the other frame me.

In 2008 near Christmas I was ticked while sleeping by Robert Miller, Philadelphia Police Officer. He then Threatened My Life. He was with a black man Cop unknown who I later saw his Black Jacket and State Judge Phyllis Hill commit Felonies against me in front of Philadelphia State Court House. I then saw State Judge

Phyllis Hill in the U.S. Federal Court House in the clerks office. Steve Carramache and Greg Hanner both directed him to his criminal friend Phyllis Ruffin a court clerk. I saw Phyllis Ruffin who Leaked Sealed Federal documents to Mr. Ruffin of the Health and Human Services Department who I saw with Black Rev. Love. When I came back to Philadelphia in 2019 John Starti said to Steve Carracappa to call out my name. Steve Carracappa for the 1st time said my whole name in 13 years. I am in Columbia, South Carolina US Federal Court and he called out my name for the 1st time in 9 years. In 2019 I have been totally

pure since Thanksgiving 2013. I am innocent and was raped by Magnus Lyons, Captain Doyle and Nora Hyman since 2011 and I can't have sex because the Hyman is too painful.

Dan McCormack - a Philadelphia US Federal Court clerk for the last 3 years screened me he never gave me a case number. He is the cousin of Catholic Monsignor John McCormack who was removed from being the Catholic Monsignor of St. James Catholic Church in Orlando, FL where he screened me with priest Gonzalez. I saw him with prostitute IRS Gonzalez in 3/2006 during the 1st Look Investigation. They all lied and said I had sex with IRS Gonzalez who I never saw before. The Crooked Law Firm of Ronquerre, Butler and Brilgaard and US Federal Judge David Baker saw me with IRS Gonzalez seen together in front of the US Federal Courthouse in Orlando, Florida. Police officers Maria and 2nd unknown officer and officer Gonzalez and De Lasos a white man officer lied and all stated I had sex with IRS Gonzalez. This is all a lie to ruin my testimony in upcoming US Federal cases of corruption I witnessed as the Undercover.

Dan McCormack was in with Ann Murphy and Michele Dorso 2 new US Federal Court clerks I had seen since 2016. Ann Murphy's Aunt Sabrina Murphy has been on the run from me since 2006. Sabrina Murphy may have been

condemned

by the Pope for lying about my marriage. Her Aunt's Super Fress closed 2 stores in the 1st Look Investigation. Joe Campassano was in with Sabrina Murphy and he gave out the fress to the Mafia. Michele Dorso's Aunt Franny Santo stole documents of millions of dollars of crime and corruption.

On Friday 10/11/19 I was taking ~~legislation~~ when the gang of drug dealers appeared on 15th Street at the steps of the Escalator for SEPTA Transpoditions. They have been there for 3 years on and off. I instantly went passed Mr. Costigan who had a purple towel on his back. His friends were smoking crack cocaine while there as I passed and Mr. Costigan and his black man friend wearing a Champion shirt both blew crack cocaine in my face. This is in Center city downtown Philadelphia and it was crowded.

I ~~PT~~ seen Officer McGovern of Phila. Pol. Septa. Police and I told him the story and I told him I have an injunction against Mr. Costigan who has harassed me for ~~9~~ years with his 10 family members and along came Officer McGovern said he wasn't going to help me. So a minute went by and Officer Gallagher a ~~White~~ cop for Philadelphia Police I stopped and I told him. He just kept going. Then Lt. Carlo of the Philadelphia Police showed up and I told him the story. He told me I need a signed order from the DA's office and I told him I had a signed order from the Feds. I'll show you I told him. Both places are closed its after 5:00pm. Lt. Carlo said to talk to Police Officer ~~HART~~ so I told him the story. I said to all of them just get the names of the other 5 gang members and that would be fine.

I also told them that this gang harasses and follows cops and their family members. None of them would help me. I went to the nearest payphone because the ~~the~~ gang was still there for 2 hours. I called the District Attorney's Hot Line Number it was Larry Krasner's New York Force ~~Number~~. Nobody was there it was after hours. So I left the same message on their answering machine.

I have been harassed and followed by this gang 53 times in 12 states and the District of Columbia I told them on the message. I have put this into the Phila. Pol. U.S. Attorney's office for years and they still follow me throughout and

In 12/2009 Jeff Epstein filed suit under RICO Act against Bradley Edwards against Scot Rothstein The 1.2 Billion dollar Ponzi Scheme.

Bradley Edwards Represented several of Jeff Epstein's victims an individual referred to in the lawsuit as "Lisa M" Lisa M and Virginia Roberts Gold.

"Upon Information and Belief. The suit stated, Bradley Edwards 'knew or should have known that Scot Rothstein, Rosenfeld & Adler Law Firm and represented several of Jeff Epstein's victims and one of them was Lisa M.

"Edwards knew or should have known that Rothstein was utilizing his Law Firm as a front for the massive 1.2 Billion dollar Ponzi scheme and/or were selling an alleged interest or investment in The Civil Actions (and other claims) involving Epstein. By using Civil Actions as "Bait and Fabricating against Jeff Epstein They would use the settlements regarding the same. Scot Rothstein and other members of his Law Firm were able to lure investors into Rothstein's schemes and bilked them of millions of dollars, which in turn was used to fund the litigation against Jeff Epstein for the sole purpose of continuing the massive Ponzi scheme."

Lisa M. testified she never had sex with Jeff Epstein, worked at numerous strip clubs, admitted prostitute, and had a history of drug use.

Lisa M. continually asserted the 5th Amendment during her deposition in order to avoid answering relevant but problem questions for her.

The Law Suit from Jeff Epstein made similar claims about 2 other victims of Jeff Epstein.

★ In 2007 when interviewed by the FBI she said only good things about Jeff Epstein. Lisa M. story changed dramatically when she switched to attorney Bradley Edwards (Scot Rothstein, Rosenfeld & Adler and Britt Lewis.)

I was in with Britt Lewis Secretary in 7/2003 when she told me to leave my brother

Bradley Edwards was involved in lawsuits against Jeff Epstein since 2007. Working with US Federal Judge Paul Cassell. They had filed a lawsuit on behalf of unnamed underage girls.

In 2007 Virginia Roberts Guiffré let 4 girls know Bradley Edwards stated she had sex with prominent businessmen, important politicians and Prince Andrew of England, as well as to obtain black mail information. Virginia Roberts claimed,

Virginia Roberts Guiffré stated that Jeff Epstein forced her and other 9 underage girls to take part in a orgy on Little St. James Island in the Virgin Islands with Prince Andrew.

#1. Bradley Edwards & Paul Cassell Lied - They stated that Alan Dershowitz was standing next to Jeff Epstein while he was receiving a blow job from Underage Virginia Roberts Guiffré.

#2 Bradley Edwards & Paul Cassell Lied and told Virginia Roberts Guiffré under oath to say she gave a Blow Job to Jeff Epstein while Alan Dershowitz was standing next to Jeff Epstein.

#3 David Boies (a prominent lawyer) associated with the firm representing Virginia Roberts stated "He could not believe this was true."

#4 Bradley Edwards was a partner of Scott Rothstein - Brett Zents worked for Scott Rothstein and hated him for ruining her life with Fort Lauderdale, FL Police Chief Sheriff Ken Tenney & Ken Chen and US Customs Agents Ken Brett, Marlon Miller, Peter Coger and Mark From Washington, DC and Dorothy & her husband.

2007 ★ #5 Bradley Edwards was a partner of Scott Rothstein who's spending 50 years in jail for fraudulently creating a 12 Billion dollar Ponzi scheme to sell to Jeff Epstein cases that did not exist.

Denial a lie, says witness

Mr. Long From Netflix Series Left Epstein
By LEE BROWN

A new witness claims Bill Clinton spent time with pedophile pal Jeffrey Epstein at the financier's notorious "orgy island" — challenging the former president's denials that he went there, according to a report.

The former president, 73, has admitted taking trips on the late pedophile's so-called "Lolita Express" private jet, but insisted last year that he never visited his well-connected friend's private Caribbean island, Little St. James.

But a new docu-series streaming on Netflix beginning Wednesday includes an interview with the island's longtime computer exec who says he saw the former president relaxing there with Ep-

stein, according to The Sun.

Steve Scully, now 70, tells the series, "Jeffrey Epstein: Filthy Rich," that he spotted the pair in the porch area of the villa on the island, "long said to be where Epstein held orgies with his young victims."

Scully says he saw other "important people" coming and going from the island but that no one else was there during Clinton's visit, according to the report.

Virginia Roberts Giuffre has also previously claimed to have seen Clinton on the island, which is where she says she was forced into an orgy with Epstein, Prince Andrew and nine young girls.

She said she never saw any impropriety from Clinton, who maintains he never went to the island.

stein, according to The Sun.
Steve Scully, now 70, tells the series, "Jeffrey Epstein: Filthy Rich," that he spotted the pair in the porch area of the villa on the island, long said to be where Epstein held orgies with his young victims.
Scully says he saw other "important people" coming and going from the island but that no one else was there during Clinton's visit, according to the report.
Virginia Roberts Giuffre has also previously claimed to have seen Clinton on the island, which is where she says she was forced into an orgy with Epstein, Prince Andrew and nine young girls.
She said she never saw any impropriety from Clinton, who maintains he never went to the island.

"This was a lie the first time it was told, and it isn't true today, no matter how many times it's repeated," Clinton's spokesman, Angel Ureña, told The Post Tuesday.
Clinton had insisted last July — after Epstein was busted in New York — that he knew "nothing about the terrible crimes" being committed.
He admitted taking four trips on the moneyman's private jet, but said in a statement that "he has never been to Little St. James Island, Epstein's ranch in New Mexico, or his residence in Florida."
Scully, meanwhile, says he now regrets his time working with Epstein, conceding that in hindsight, the multimillionaire's perversions were obvious.

"You tell yourself that you didn't know for sure and you never really saw anything, but that's all just rationalization," he says on the Netflix show, according to The Sun.
"Jeffrey Epstein, he was a guy who concealed his deviance very well — but he didn't conceal it that well."
Epstein died last August, found hanged in his Manhattan lockup.
Andrew has always denied the "abhorrent" claims against him, claiming he had no idea about his friend's sick, secret life.
Buckingham Palace has said that "any suggestion of impropriety with underage minors is categorically untrue."

Weird BUT true

A Georgia woman was driving on a highway near Savannah on May 12 when what she thought was a brick came flying through her windshield.
After pulling over, she discovered that the object was actually a turtle.
"Beware Savannah of flying turtle," Lark wrote on Facebook along with a photo of the reptile lodged in her shattered glass.

Hordes of people quickly gathered and snatched up thousands of beer cans after a semitrailer truck swerved on a wet Thailand highway, spilling hundreds of crates of the suds.
The driver kept the rig from overturning, but was unable to prevent the cargo from tumbling out in Chumphon province on Saturday.

A man using a metal detector on a Texas beach became a hero to a woman who lost her \$3,500 engagement ring in the water while playing volleyball.
Paul Bolmanskie was on Crystal Beach in Galveston County Monday when a frantic couple asked him if he could help find the lost ring.
Bolmanskie scanned the area, found the jewelry and "the young man was so happy he proposed again," said the metal-detector's wife, Karen, via Facebook.

This tragic gator wasn't able to get aid in time.
A couple got quite a scare Saturday when they spotted an alligator in the paddle-boat area of Kentucky Lake in Kentucky. They alerted wildlife officials, who believe the animal was injured by a boat. It later died from its wounds.

On 5/29/20 at The Trenton, NJ, US. Federal Courthouse
3 white Men US Marshalls informed me that the Courthouse is closed
to the Public because of the VIRUS

I wrote 1 white Man US Marshall and explained I Need to STAMP
documents to a case in which they Murdered Several Family Members and
My Police partner, Brian Lorenzo who's Death was still being investigated.

The Marshalls let me in and I used the Time stamped Machine.
I heard the other 2 Marshalls state I was Gay, They did not like Gay people
and they said I'll be at the drop box all night, I was there for 10 Minutes trying
to organize lots of papers. They stated they screened me and now they have to feed me, I couldn't
believe this

The same 2 US white Men Marshalls screened me last year.
1 of them was seen with DERMON FISHMAN, and 5 other attorneys and
his CASWTER at the Trenton, NJ, US Federal Courthouse
They had followed me to Fort Lauderdale, Florida to Trenton, NJ with white Men
Sven a white criminal.

DERMON FISHMAN Phil Sven I had seen in Boca Raton at Sugar Sand Park
in 2/2020. Fishman stated I was Jettison off a He had Lied
I had a hysteria.

* 3/2020 I next would see Sven on Semason Dheli in Orlando, FL where
he followed me. He then went to Hawaii.

Monday
3/16/20

- Rockledge, FL I went to St. Mark's Episcopal Church
on 4th Church St. Rockledge, FL and white woman Mrs. Martins
and the white female Reverend called Dan Brett's office.

They spoke to Martha Parrallegui and Martha told everyone
that Dan Brett had a heart attack on 1/6/2020 a Sunday and died.
I was very upset and got on the phone and broke my silence.

I talked to Martha Parrallegui at the Law Firm of Brandon Brett for a and
Simulacra and I turned around and Cocoa Beach, FL Cop B. Fredette a white man with
tattoos was there with his cell phone and had secretly violated
with his cell phone the Telecommunication Laws - The FISA-1996 Revision Laws
since I had done some Foreign Intelligence Surveillance. I qualified for
this Law. I told the officer that I had just found out that
my uncle died. He didn't care. He said to the white woman Reverend
from St. Mark's Episcopal Church to Get him on Trespassing and I'll
false arrest him. She had called him officer B. Fredette in the other room.
The Reverend told him for he's our friend. He took my license and
ran my license. He held me there until the Roofing Company, white woman and
3rd woman from church had passed us and the Reverend white man around 30's yrs old Mr. Long
had committed at least 3 felonies with the St. Mark's Episcopal Church from Rockledge, FL.
I also saw Cocoa FL Cop Mrs. Hernandez Latin man criminal go past the
church.

The white woman Reverend called B. Fredette because she was committing
felonies against me for at least 2 years with officer B. Fredette who I saw
and have in my logistics in Melbourne, FL at least 4 times with white man Mrs. Long
from St. Mark's Episcopal Church. They were in with Harry Shrofflen & Bill Bitter,

A Poem For Jesus on His birthday
with His Four Babes in Heaven!
(3 Boys and 1 Girl)

Once upon a time the Babes were Born,
They played with Jesus in the early Morn,
In the Angels Seats they laughed and giggled hearts filled with Joy and Love from Above,
They all sent by God from Heaven with the Doves and Love.

John The Baptist waited at the River Jordan,
While the white doves ascended from the opened clouds in the sky,
The Angels of the Lord hearts overflowing, let out a cry,
The 4 Babes from Heaven came down and did not cry.

John The Baptist began to baptize one and all,
The Holy Spirit filled the Babes souls with the knowledge of the Bible and
Scribbles.

God from Above the clouds let out a Thunderous Voice,
That God was pleased and would protect the 4 Babes souls as their choice.

People traveled from many a mile,
To see the 4 Babes from Heaven's tranquil smile,
They brought gifts from near and a far,
Frankensense and Baby Powder and even clam chowder.

The 4 Babes from Heaven were here to stay,
They love their Mommy and Daddy every peaceful Day,
The Moral of the story is to pray, pray, pray without delays,
For God's Love is upon all of us and his word to the G day.
Amen.

Motion For a Summary Judgment on Federal Rule of Civil

Procedure 55 A+B Continued. I Frank Brett state that on 7/12/17 Wednesday at David Wildstein's sentencing, US Attorney Lee Cortes and US prosecutors praised David Wildstein the enforcer and Mastermind of Bridgegate avoids prison. David Wildstein was sentenced to 3 years probation by Federal Judge Sue Ligon in Newark, NJ. David Wildstein accused his boss Chris Christie of knowing about the Plot to close the George Washington Bridge as it unfolded. David Wildstein was a high school classmate of Chris Christie who knew everything from the beginning all the crimes of David Samson. I am asking the Court to charge Chris Christie with this crime and other key Chris Christie administration figures. I am asking this Court for 3 Million dollars against John Ryan, Bill Naulty, Anthony Muroz of Amtrac and The former boss of Amtrac, Robert Landt of Amtrac, Summer TTS Stripper and her daughters Summer TTS Cousin, Christine Sabel-stripper, Tom Hillon - Republican State Representative from Newton, Pa and his secretary and cousins Ed Hillon. They all obstructed Justice into this case and several other cases I was involved with, US Customs Henry Hiller + Ken Brett, Peter Cooper obstructed Justice since 2011 with Seth Williams District attorney of Philadelphia, Pat + Kathy Martin and Gay friends and Mr. Mohamad Ali and Brian Towel.
